

**Bad Boy**

**DAY6**

[Intro]

**G Bm C Cm**

[Verse](JAE/YOUNG K)

**G**

Last night I guess

I went over the line

**Bm**

Didnâ€™t really think that you

Would walk out of my life

**C**

Apologizing ainâ€™t the first thing

That comes to mind

**Cm**

So we fight until the dawn

And doesnâ€™t end so nice

**G**

Everyday is pretty much the same

DÃ©jÃ  vu on & on & on

**Bm**

Makinâ€™ similar mistakes

Thatâ€™s why you gone & gone & gone

**C**

Though that over night

Youâ€™d give me a call

**Cm**

Or later in the day

I didnâ€™t question it at all

[Pre-chorus](WONPIL)

**G**

Baby I just canâ€™t be better than I am

**Bm**

Girl I wanna change

Cuz I know Iâ€™ve been so bad

**C**

Everyday & night Iâ€™m so mean

**Cm**

Cuz Iâ€™m so real so Iâ€™m sorry

[Chorus] (SUNGJIN/YOUNG K)

But I canâ€™t change

**G**

I know youâ€™ve been lovinâ€™me

But sorry I am bad boy

**Bm**

Yeah, youâ€™re probably

Better off without me

You a good girl

**C**

I can see that you were

Disappointed in me

**Cm**

As you got to know me better

**G**

Baby donâ€™t leave me

I know you still love me

**Bm**

Baby honestly I know

Iâ€™m still in need of you

**C**

My lay lay lay lay lady

**Cm**

My lay lay lay lay lady

[Verse] (JAE/YOUNG K)

**G**

You say you havinâ€™ hard times

**Bm**

To put up with all this

**C**

Got the smile to make

My life a lot more brighter

**Cm**

Whenever Iâ€™m with I see

Everythinâ€™ around me light up

**G**

Stood you up and told you that

I was kinda busy

**Bm**

And turnin'™ down the promises

We made was pretty easy

**C**

Now you live in my dreams

Nothing more than just friends

**Cm**

Hatin'™ all my past that

Left me in the silence

[Pre-chorus] (WONPIL)

**G**

Baby I just can't be better than I am
