Congratulations DAY6

[Verse 1]

C

I don t even know how I can talk to you now

Am

It s not you, the you who talks to me anymore $\overline{}$

And sure I know that sometimes it gets hard

Csus4

But even with all my love

G

What we had, you just gave it up

F (

Thought we were meant to be

Am Am/C

I thought that you belonged to $\ensuremath{\mathsf{me}}$

F G

I ll play the fool instead

Oh but then I know that this is the end Oh, oh

[Chorus]

C

Congratulations, glad you re doing great, woah

Am Em

Congratulations, how are you okay, woah

F

How could you be so fine

C/E

I can see it in your eyes

F G

The same look that you gave me, that kills me inside, oh

C

I don t even need to ask, yeah

G

I know you too damn well, yeah

I can see that smile

Am Er

and can tell that you did more than move on $% \left(1\right) =\left(1\right) +\left(1\right)$

```
I hope that you can t sleep
                                           G
Just knowing that I could be with somebody new
That I d be just like you
[Verse 2]
                                  Gm7
So hey, there s a couple of things I should
Say to you, I promise I d be good if I could
                            C/E
But yeah, I m sorry I m not sorry
I can t be happy for you now
                     Am/G
Am
And hey, that s great, must be nice to not feel anything
Cause I m feeling just the same way, okay
I don t give a, ahhhhh
[Chorus]
Congratulations, so you win again, woah
Congratulations, you just took away, woah
Our memories so far
                       C/E
They re gone, just like you are
Now, all I have is me, and it s getting too hard
I saw it on your face, yeah
I know you too damn well, yeah
I heard you laugh and knew that you did more than move on
I hate that you re happy
I hate that I can t sleep
                                                   G
```

I hate that you re happy

Keep thinking bout how he now seems better off, too $\ensuremath{\mathtt{C}}$

Just like I was with you
