C#   **Bbm**
Surfing the waves of the ocean
                              F#   **G#**
 Live flows in slow motion while dreaming about 
                              C#   **Bbm**
Walking through stars and reliving past stories
                         F#   **G#**
 Of no pain and glory Now s all back to me  

F#   **C#**   **G#**
Welcome to my seventeen
Another time
F#   **C#**   **G#**
All the things you left behind
Now are alive
F#   **C#**   **G#**
Welcome to those pretty nights
Under the moon
F#   **C#**   **G#**

Welcome to my seventeen

Night lights show me where I m going 
Singing old melodies and dreaming about 
Running away to a place with new stories
 I ll come back I promise.
For my seventeen

Welcome to my seventeen
Another time
All the things you left behind
Now are alive
Welcome to those pretty nights
Under the moon
Welcome to my seventeen TONIGHT

           F#   **C#**
  (We Were)  Sleeping all day, hanging out night. 
Bbm   **G#**
Growing brave, boundless, with no limits, with no problems
 F#   **C#**   **Bbm**
   G#
 Sleeping all day, Hanging out night. Writing stories that will last.
