[Verse 2]

A **E**
 I just wanna get some rest
F#m **D** **A**
 I m oh so tired of bein wired all the time
E
 And oh yes I can interact
D **D**
 But there s nobody home behind
A
 These blood shot eyes
E **F#m**
 And my brain is runnin on empty
D **A**
 And my nights are full of stupidity
E
 I m a hamster runnin in a ball
B **D**
 At least the rat in the maze has a goal
A **E** **F#m**
 Cause I wanted to be like Bill Hicks or Van Gogh
D
 Drink absinthe shoot dope snort blow
A **E**
 Cause I thought art was discovered in the altered mind
F#m **D**
 But now I realize that clarity
A **E** **F#m**
 Entices the muses just as much as the LSD
D
 I would use back in high school
A **E**
 Now there s not as much time to kill
B
 But much rhymes to kill
D
 So wake the fuck up and pass the booze

[Chorus]

A **E**
 Bugs in the kitchen and mold in the sink
F#m **D**
 Chuggin down the whiskey and you never stop to think
A **E** **D** **D**
 What do we do tomorrow?
A **E**
 Bugs in the kitchen and mold in the sink
F#m **D**
 Chuggin down the whiskey and you never stop to think
A **E** **B** **D**
 What do we do tomorrow?
