

Saturday Night Palsy

Days N' Daze

[Intro]

G D C B C

E D Am C

[Verse 1]

G

My mind s a malicious predator

D

Always poised to attack

Em

Am

Constantly creating worry

C

To weight my weary back

G

Self medicating only works so long

D

And then I lapse

Em

Am

Into a solipsistic coma

C

Cause the stress is just too much for me to grasp

[Instrumental]

G D C B C

Em D Am C

[Verse 2]

G

With money and dependency

D

Relationships and obligations

Em

Sometimes it s too much

Am

C

And I just wanna fucking die

G

Curl up with a bottle of Everclear

D

A sandwich baggie full of pills

Em

Am

Salute good riddance to the day

C

And slip into the night

N.C.

Into a place

[Chorus]

G
Where the past is the past
Am C
And what s done is done
G Am C
And the only concern we have is having fun
G Am C
Where the cops all turn their heads the other way

[Verse 3]

G
Whenever shit gets way too heavy
D
And I feel alone
Em
I just remember that some day
Am C
I ll make an urn or cast my home
G
Though it might seem morbid
D
I find comfort in the fact
Em Am
That the stress and pain we feel in this life
C
Won t much longer last
(Let Ring)
G
Though it might seem morbid
D
I find comfort in the fact
Em Am
That the stress and pain we feel in this life
C
Won t much longer last

[Chorus]

G
Once the past is the past
Am C
And what s done is done
G Am C
And the only concern we have is having fun
G Am C
And the cops all turn their heads the other way

the rest is the same as intro use power chords the chorus with power chords the regular chorus
