

Deadfriends
Daytrader

Tuning: Half Step Down

This song uses powerchords all the way through, but heres the chords so you can either do powerchord version or play it with full chords on an acoustic or something.

Fm **C#** **G#** **Bbm**
Wait until you get another place in line
Fm **C#** **G#** **Bbm**
Stick to the things you ve been trying to find
Fm **C#** **G#** **Bbm**
No one seeks your past deeds
Fm **C#** **G#** **Bbm**
Never going to get another guarantee
Fm **C#** **G#** **Bbm**
Wait until you get another place in line
Fm **C#** **G#** **Bbm**
Stick to the things you ve been trying to find
Fm **C#** **G#** **Bbm**
No one seeks your past deeds
Fm **C#** **G#** **Bbm**
Never going to get another guarantee
Fm
Kill all my, kill all my friends

Fm **C#** **G#**
 And don t you ever say
 Fm **C#** **G#**
we re destined to be great
Fm **C#** **G#**
It ended up exactly how it s supposed to be
 Fm **C#** **G#** **Fm**
That same old classic story

G# **Fm** **C#**
 Two, three, four

Fm **C#** **G#** **Bbm**
Find the place you d rather be than here and now
Fm **C#** **G#** **Bbm**
Always good company with shadows, fear, and doubt
Fm **C#** **G#** **Bbm**
Always in good company
Fm **C#** **G#** **Bbm**
Wrongs darker than death or night are rolling around your head
Fm **C#** **G#** **Bbm**
Spells and incantations trying to charm some old, dead friends

Fm C# G# Bbm

Always in good company

Fm C# G# Bbm

Always in good company

Fm C# G# Bbm

Never going to get another guarantee

Fm

Kill all my, kill all my friends

Fm C# G#

And don t you ever say

Fm C# G#

we re destined to be great

Fm C# G#

It ended up exactly how it s supposed to be

Fm C# G# Fm

That same old classic story

Fm G# Bbm

It never ends

Fm G# Bbm

Underneath my skin

Fm G# Bbm

It never ends

Fm G# Bbm

Fm C# G#

And don t you ever say

Fm C# G#

we re destined to be great

Fm C# G#

It ended up exactly how it s supposed to be

Fm C# G# Fm

That same old classic story

Fm C# G# Fm

That same old classic story

G# Fm C#
