COVER FROM THE SKY - DEACON BLUE

Tabbed by Dan Taylor

Intro:

**G D G D**

**D** **G** **D Dsus4 D**  
I will love you when the morning is ascending  
**Gsus4** **A**  
I will love you when the moon is riding high  
**D** **G** **D Dsus4 D**  
I will love you when we only have pretending  
**A** **D Dsus4 D**  
When our home becomes a cover from the sky

**D** **G** **D Dsus4 D**  
Well my eyes have seen the dust and then the ashes  
**Gsus4** **A**  
And the lowland and white sky of your home  
**D** **G** **D Dsus4 D**  
And the rain that washed mascara from your lashes  
**A** **D Dsus4 D**  
When nothing gave us cover from the sky

**D**  
When you re gone I notice  
**G** **D Dsus4 D**  
All your tiny touches

And it s then I see  
**Gsus4** **A**  
Cause it s then that I know why  
**D** **G** **D Dsus4 D**  
If the days become the walls you knew you wanted

**A D Dsus4 D**

Our years will give us cover from the sky

- **D G D Dsus4 D** (x2)

**D G D Dsus4 D**

Well we've been among the saint and then the angels

**Gsus4 A**

And we don't want to wait until we die (no, no)

**D G D Dsus4 D**

So we'll stand among the ruins of our temple

**A D**

And pray to God for cover from the sky
