COVER FROM THE SKY - DEACON BLUE

Tabbed by Dan Taylor

Intro:

F# C# F# C#

C# F# C# C#sus4 C#

I will love you when the morning is ascending

F#sus4 G#

I will love you when the moon is riding high

C# F# C# C#sus4 C#

I will love you when we only have pretending

G# C# C#sus4 C#

When our home becomes a cover from the sky

C# F# C# C#sus4 C#

Well my eyes have seen the dust and then the ashes

F#sus4 G#

And the lowland and white sky of your home

C# F# C# C#sus4 C#

And the rain that washed mascara from your lashes

G# C# C#sus4 C#

When nothing gave us cover from the sky

C#

When you re gone I notice

F# C# C#sus4 C#

All your tiny touches

And it s then I see

F#sus4 G#

Cause it s then that I know why

C# F# C# C#sus4 C#

If the days become the walls you knew you wanted

G# C# C#sus4 C#

Our years will give us cover from the sky

- **C# F# C# C#sus4 C#** (x2)

C# F# C# C#sus4 C#

Well we ve been among the saint and then the angels

F#sus4 G#

And we don t want to wait until we die (no, no)

C# F# C# C#sus4 C#

So we ll stand among the ruins of our temple

G# C#

And pray to God for cover from the sky
