Hey this song took awhile to figure out but I think I got it.

Intro: Em Am. Em Am. Em Am. F

Em Am Em Am

I ll be honest: my patience has come and gone.

Em Am F

I messed up bad this time.

Em Am Em Am Em Am F

I apologize for my poor appearance, and ever awful pronunciation.

Em Am Em Am F

I m shot, full of hope and I m slightly intoxicated.

C C-Bb Am F

Yet I m searching for something more.

C C-Bb Am F G

And I long for so much more.

Em Am Em Am

It s a disappointment that s far too much to cope with,

Em Am F

when everything is a fabrication.

Em Am Em Am F

Our lives, our hopes, our dreams, our love was all exaggerated.

C C-Bb Am F

Yet I m searching for something more.

C C-Bb Am F

And how I ve longed for a little bit more.

 ${f F}$ (like 24 times) last bar of build up us ${f C-Bb}$

C C-Bb Am F

Here I am to admit defeat, I ve never been one to beg pardon, yet I m on my $\ensuremath{\mathbf{C}}$

knees.

C C-Bb Am

I ve tried my best to smile, but it s hard when you look up for the stars $\ensuremath{\mathtt{G}}$

and ask the sky when they re coming back.

C C-Bb Am F until end.

End with C

Cheers,

Amache
