

Found Myself In You
Dead by April

Standard tuning **E-A-D-G-B-E**

Intro is: F#m

F#m **D**
Listen now, i found myself in you, i cannot lie,
F#m **D**
I carried all this load, iâ€™m alive
F#m **D**
I found inside of you, where i belong
D **D**
I carried you for so long

Chorus: **F#m - D - A - Bsus2**

F#m **D**
Now you can t give up, not when you ve come this far
A **Bsus2**
Though you face it all alone, seek your trust inside within
F#m **D**
Now you can t give up, look before you wake
A
When you re standing all alone,
Bsus2
Find yourself inside within

F#m
(so you make it of your own solution
I know im heading another way, a long way from you)

F#m **D**
Listen now, i found myself in you, i cannot lie,
F#m **D**
I close my eyes to awake, loved you either way
F#m **D**
The way to make forever seem like one day
D **D**
Will i remember you for so long?

Chorus:

F#m **D**
Now you can t give up, not when you ve come this far
A **Bsus2**

Though you face it all alone, seek your trust inside within

F#m **D**

Now you can't give up, look before you wake

A

When you're standing all alone,

Bsus2

Find yourself inside within

F#m

(no one listen to myself what can i do

I believe that you are alright, can i listen to yourself

What do you do? you are my love forever

So, you make it on your own solution

I know i'm better off alone without you)

F#m **D**

I guess there's always something,

F#m **D**

You try to heal and leave behind

F#m

You'll find a way, you'll turn around

D

Although easy ways can't be found

x **D**

Not when we've come this far

F#m **D**

Now you can't give up, not when you've come this far

A **Bsus2**

Though you face it all alone, seek your trust inside within

F#m **D**

Now you can't give up, look before you wake

A

When you're standing all alone,

Bsus2

Find yourself inside within

F#m

(so you make it of your own solution

I know i'll go, another way, a long way from you)

I know it's not perfect but it's close i guess maybe you can find another chord
for the

but they sound perfect to me =)
