

Let Down  
Dead By Sunrise

[Verse]

Am C Em  
And the tears fall like rain  
D  
Down my face again  
Am C Em  
All the words you wouldn't say  
D  
And the games you played  
Am C Em  
With my unfoolish heart  
D Am C Em D  
Oh I should have known this from the start  
Am C Em  
Oh the winter and spring  
D  
Going in hand in hand  
Am C Em  
Just like my love and pain  
D Am C Em  
How the thought of you cuts deep within the vein  
D Am C Em D  
All this brand new skin stretched across scared terrain

[Verse]

Am C  
Cause I don't want to be let down  
Em D  
I don't want to live my life again  
Am C Em D  
Don't want to be led down the same old road  
Am C  
Cause I don't want to be let down  
Em D  
I don't want to live my lies again  
Am C Em D  
Don't want to be led down the same old road
