

**Too Late**  
**Dead By Sunrise**

**F/F/F/F**

**F** **C**  
It s cold and dark

**Dm**  
I think I m going insane

**F** **C** **Dm**  
The end is coming - it s true

**F** **C** **Dm**  
I m all alone and I m screaming your name

**F** **E**  
It seems that s all I can do

Chorus:

**F** **C** **Dm**  
But it s too late to turn back now

**F** **C** **Dm**  
It s too loud to hear the sound

**F** **C** **Dm** **C**  
I m so lost, I can not breathe out

**F** **C** **Dm**  
It s too late to turn back now

**F** **C** **Dm**  
It s hard to focus when your life is a blur

**F** **C** **Dm**  
It s hard to see the truth

**F** **C** **Dm**  
How can I move on when there s so much to learn

**F** **C** **Dm**  
And every road comes back to you

Chorus:

(2 times)

**F** **C** **Dm**  
But it s too late to turn back now

**F** **C** **Dm**  
It s too loud to hear the sound

**F** **C** **Dm** **C**  
I m so lost, I can not breathe out

**F** **C** **Dm**  
It s too late to turn back now
