

**The Ubiquitous Mr Lovegrove  
Dead Can Dance**

**Cm**

I thought that you knew it all

**F**

Well you ve seen it ten times before.

**Cm**

I thought that you had it down

**F**

With both your feet on the ground.

**Cm**                            **F**

It s a sleep from which you may not awaken.

**Cm**

You build me up then you knock me down.

You play the fool while I play the clown.

**F**                            **Cm**

We keep time to the beat of an old slave drum.

**Cm**

You raise my hopes then you raise the odds

**Eb**

You tell me that I dream too much

**F**                            **Cm**

Now I m serving time in disillusionment.
