Christians in Love
F **G#/Ab** **E**
Rolling around like a couple if pigs in a Barrel
E
Christians in Love
F **G#/Ab** **E**
Flapping about like a couple of Trout in a Puddle
G#/Ab **F**
Like a Chimpanzee at a buffet car,
F **E**
theyre just grabbing at things before they know what they are
E **F**
And seeing if they can fit them in their mouths
G#/Ab **F**
Like a Pony trapped in a broken lift,
F **E**
theyve no idea what buttons theyve pressed
E **F**
Theyre just enjoying going up and down
E **B** **G#/Abm**
And theyre making neighing sounds
B **G#/Abm**
And as the daybreak looms, their crazy passion knows no limit

Cause neither one of them, know how they re meant to know theyre finished

Christians in Love

Like a shithouse door in a force nine gale,

theyre banging away till the hinges fail
E **F**
With no discernable sense of rhythm
G#/Ab **F**
Like Keanu Reeves in the movie speed
F **E**
theyre scared that slowing down might lead
E **F**
To some sort of explosive cataclysm
E **B** **G#/Abm**
Taking Dennis Hopper with them

B **G#/Abm**
By now Ive guessed, I guess I know what youre all thinking
B **G#/Abm**
Why am I watching them, and how have they not heard me singing
E
Christians in Love
F **G#/Ab** **E**
Possibly deaf or else so incredibly focused
F **G#/Ab** **E**
On the task in hand that theres a four piece band they havent noticed
G#/Ab **F**
In the en-suite watching them get laid,
F **E**
and wondering when well be paid
E **F**
For a wedding that s been over several hours
G#/Ab **F**
But well stick it out as long as it takes
F **E**
till either our resolve or the headboard breaks
E **F**
At least weve got a toilet and a shower (right guys?)
E **B**
Then I guess well just keep singing louder

B
Hey you, wheres our money? Hey you, wheres our money?
G#/Abm

Hey you, wheres our money? Hey you, wheres our money?
