Buzzbomb by the Dead Kennedys
from the album Plastic Surgery Disasters
tabbed by Tom Mallon (tsmallon@syr.edu)

Most of the guitar parts in this song are a guitar figure that Ray moves up and down as the chord changes. The figure looks like this in **G**:

```
E -----  
B -----  
G -----  
D ---5-5-----5-5-----  
A ---5-5-6-5----5-5-6-5-----  
E ---3-3-----6--3-3-----6-3-----
```

Just move that up and down the neck as the chord changes.
Some of the other chords, mainly in the chorusy section
(Plow through rest area...) are just barre chords.
