Dead to Me

Am
It s the last thing you wanna hear

CHORUS:

C G Dm
I should know better by now

F C G
But after all, after all

C G Dm
I m so tired of explaining

F C
All the things I should have said

Am G

Am F Em Dm
But that news came way too soon

C G
I was sitting at home and wondering why

Am F Em Dm
I couldn t even look you in the eye

C G Am F
I heard all those things that your father told you

Might be the only thing that you see through

I should know better by now
