[Intro]

Bm A, G, E

```
Bm                             A         G        E
   it s been so long I ve been out of my body with you
Bm                             A         G        E
   I feel alone, feel at home, feel like nothing is true
```

```
Bm                             A         G
   you take me to a place where my senses gave-way
Bm                           A         G
   turn it round, shut it down, what the people say
Bm                         A         G
   climbing up, coming down, gonna give you some
Bm                           A         G
   take my hand and let it come, let it come, let it..
```

```
Bm                           A           G        E
   take it back when she knows that your doing it right
Bm                       A           G        E
   cuz everbody else knows what their taking tonight
```

```
   Bm      A        G        E
but I... just wanna play it right
Bm           A             G
we... we re gonna get there tonight!
```

```
Bm                           A         G          E
   it s been so far, I ve been walking the line on my own
Bm                     A         G        E
   lift me up to the stars, we are coming home
```

```
   Bm                          A       G
I know we had a chase, but were out of time
Bm                     A       G
we are souls in the cold, physical design
```

```
Bm                          A         G
   set me free, set me out on the run
Bm                          A         G
   lift me up to the sun, to the sun, to the..

Bm                            A               G       E
   when your burning down, when your burning down
            Bm          A         G               E
it s the way that you think that I know it s too late

      Bm     A          G        E
but I... just want to play it right
Bm     A          G              E
we... we re gonna get there tonight!
Bm  A         G         E
I... just want to take you down
Bm     A            G          E
we... we re gonna bring you round

Bm, A, G, E (x2)

      Bm  A              G        E
but I... just want to play it right
Bm     A          G              E
we... were gonna get there tonight!
