

**I Remember**  
**Deadmau5**

Artist: Deadmau5

Song: I Remember

Transcribed by: Nick\_s\_07@hotmail.com

Standard Tuning

Chords for this didn't seem to exist on the internet, so I've tried to do it myself. Enjoy. Also, I've taken a lot of liberty with chord names cause I don't remember them all. Feel free to fix them :)

Chords: **B**: xx4442  
**D**: xx0232  
**F#**: xx5432  
**Gb**: xx4322  
**Gbm**: xx4220

The basic progression is **B**, **D**, **F#**, **Gb**, **Gbm**, **F#**. Just keep the top two strings muted with your palm throughout the song.

**B**                **D**                **F#**  
Feeling the past moving in  
**Gb**                **Gbm**                **F#**  
letting a new day begin  
**B**                **D**                **F#**  
hold to the time that you know  
**Gb**                **Gbm**                **F#**  
you don't have to move on to let go

**B**                **D**                **F#**  
Add to the memory you keep  
**Gb**                **Gbm**                **F#**  
remember when you fall asleep  
**B**                **D**                **F#**  
hold to the love that you know  
**Gb**                **Gbm**                **F#**  
you don't have to give up to let go

**B**                **D**                **F#**  
Remember turning on the night  
**Gb**                **Gbm**                **F#**  
and moving through the morning light  
**B**                **D**                **F#**  
remember how it was with you  
**Gb**                **Gbm**                **F#**  
remember how you pulled me through

And so on... Mix it up if you like.
