

Some Chords

Deadmau5

Just the intro of this amazing dance/electro/ call it what you will, tune from Deadmau5. Someone else can elaborate on this, but this is what I believe the intro to be

	Dm	Bb	C	D
e	-----	-----	-----	-----
B	-----6-----	-----3-----3---3---5---5---7---7-----	-----	-----
G	-----	-----	-----	-----
D	-----	-----	-----	-----
A	-----5-----	-----1-----1---1---3---3---5---5-----	-----	-----
E	-----	-----	-----	-----

Hope that is a good starting point for someone. Comments are gladly recieved.
