Some Chords Deadmau5

Just the intro of this amazing dance/electro/ call it what you will, tune from Deadmau5. Someone else can elaborate on this, but this is what I believe the intro to be

	Dm	Bb		C	D		
е							
В	6	3	33-	5	-57	7	
G							
Α	5	1	11-	3	-35	5	
Ε							

Hope that is a good starting point for someone. Comments are gladly recieved.
