

Little White Lies

Deaf Havana

Deaf Havana: Little White Lies (Capo 1) (tabbed by Paul-M)

Ok, so I couldn't find any tabs for this so I thought I'd show how I play it. It sounds pretty cool on acoustic too, listen to the song for the rhythm.

Verse: **C, F, Am, G**

Chorus: **F, C, G**

Break: **Am, Cadd9, G, F**
