Verse 2

Baby she likes to snowboard  
Spends her summers out on a boat  
Thinks a perfect night out is a cabin  
Smell of coffee on a old wood stove  
She won t admit she watched Degrassi

She s proud and sometimes quiet  
True north national treasure  
She d give her life for the red and white

Chorus

Verse 3

Well us boys we like our fishing  
Hockey and Ron McLean  
We like Moosehead Beer and white tail deer  
Stomping Tom and the UFC  
And we like our foreign ladies  
Their accents are really nice  
But their nothing like our northern girls  
To keep us warm at night

Chorus

**G** **A**  
From the mountains to the ocean sands  
**G** **A**  
Tuktoyaktuk to Newfoundland  
**G** **A**
