Bridge

Fm **C#add9**
Jokes you used to tell, the way things used to smell,
G# **Fm/G**
Expressions on your face wouldnâ€™t want it any other way
Fm **C#add9**
Iâ€™d whisper in your ear, always hold you near,
G# **Fm/G**
we were heading for the ground, didnâ€™t ever want any of it to change.

Fm **C#add9**
All those happy thoughts, I never did give up
G# **Fm/G**
Always tried so hard until reality walked in my door
Fm **C#add9**
The lighting it grew thin, the flame it grew too dim.
G# **Fm/G**
Do you wanna change the real person that you are today?
