How I love to hear the organ

In The Chapel In The Moonlight

While we`re strolling down the aisle

Where roses entwine

How I love to hear you whisper  
In The Chapel In The Moonlight  
That lovelight in your eyes  
8 -8 7 -8 7 7 -8 8 8 8 8 8 8  
For-ever will shine `till the roses turn to ashes

`Till the organ turns to rust, if you never come  
6 -6 7 7 7 -8 8 8 -8  
I`ll still be there, `till the moonlight turns

to dust

How I love to hear the choir

As they sing oh promise me  
For-ever be mine.
