

Welcome To My World  
Dean Martin

Welcome to my world

**G**                    **C**        **D7**                    **G**  
Welcome to my world. Won t you come on in ?

**G**                    **C**        **D7**                    **G**  
Miracles, I guess, still happen now and then.

**G**                    **C**        **D7**                    **G**  
Step into my heart and leave your cares behind

**G**                    **C**        **D7**                    **G**  
Welcome to my world filled with you in mind.

**D7**    **G**        **D7**    **G**  
Knock and the door will open. Seek and you will find.

**D7**    **G**        **A7**    **D(bar)**    **D#**  
Ask and you ll be given the key to this world of mine.

**D#(bar)**                    **A#m**                    **D#**    **G#**  
I ll be waiting here with my arms unfurled,

**G#**    **A#m**    **D#**    **G#**  
Waiting just for you; Welcome to my world.
