Verse 1:
```
             B
Shaking my teeth loose on your table
                    E
The dullest white squares I ll never be
                 B
Now that you ve picked each one apart you can t
       E
look at me
                        G#m
I ll probably lose you now
                        F#
But at least the ones I have still sparkle
```

Refrain:
B(hold)

Chorus:
```
E
Putting on your makeup everyday before he wakes up
          G#m
So he could stomach your face now easier than he

        F#
could without
```

Yeah this is love

This is all that you could want
B (hold)
Open equals heavier
E
Hold your hand out palm side up

Open, empty, light enough
G#m
Minutes all turn to months

This is one thing we have all learned
F#
Equations always make up a sum

But it doesn t add up

Verse 2:
(Repeat Verse 1 chords)
Signing up for that second semester
Because you won t marry me without the degree
Once I fix things up right you wont be so

embarrassed of me
But I ll never make it now
But at least looking in the mirror wont feel like

lying

Refrain:
E
Posing for your still visions

Acedemic postcard prisons
B
Raise your chin, love

E
Purged a poem I swore was finished

Heaping lines half chewed unconscious

B
Settle on a plot, chalk another loss

Stage set for

Chorus:
E
Breathing and choking on swallowed conversations

Clutching and crawling for constant validation
G#m
Still nailed in the ruins of corporate
co-dependence

Still stuck on the thought that you re the one

exception
F#

All the while the same

B
I m worried that the purpose is
E
How I look, not how I lived
Let s get dolled up and play pretend
G#m
Cause nothing stays honest when
Every thought is cursed with intent
F#
A pulse covered in skin and words covered in lips

B
The taste of regret as it leaves your stomach
E
Coating your tongue with every noun
B   **E**
Watery eyes the only thing that makes sense now
                              G#m
Spitting your insides out

Start over
          F#
Start over

Start over
Start over
Start over

End on B.

There you go. (:
