

Elephant Hearter

Dear Reader

This is my first tab, have fun with it. :) Capo on the 6th fret!

Em **D** **G**
You couldn't stand under the weight I put on you
Am **C** **Em**
I understand, now it is true
Em **D** **G**
I can see that there was nothing you could do
Am **C** **Em**
with a sorrow so loud

Em **D** **G**
If I could I'd open up and let you in
Am **C** **Em**
but the door has no handles and
Em **D** **G**
it would seem that I by now have worn you thin
Am **C** **Em**
My heart is so hard

C Em E7 Am G D Em **Am** **Em**
Ooooooooooooooooooh, the sorrow's too loud
C Em E7 Am G D Em **Am** **Em**
Ooooooooooooooooooh, and my heart is too hard

Em **D** **G**
I only wish that you would return home to be
Am **C** **Em**
And I could bathe in your familiarity
Em **D** **G**
But I realise this is a hopeless dream
Am **C** **Em**
We have traveled too far

Em **D** **G**
I also wish that I might never read again
Am **C** **Em**
the same narrative under a different pen
Em **D** **G**
But I fear this is a circle I am in
Am **C** **Em**
for my heart is so hard

C Em E7 Am G D Em **Am** **Em**
Ooooooooooooooooooh, We have traveled too far
C Em E7 Am G D Em **Am** **Em**
Ooooooooooooooooooh, And this heart is so hard

Am **Em**

The sorrow s too loud

Am **Em**

We have traveled too far

Am **C** **Em**

And this heart is so hard
