

**C** **G**  
When biding his time

**Am** **F**  
He did wait down the line

**C** **G**  
To bring a disaster

**Am** **F**  
On their youthful dreams of escape

**Am** **F** **C** **Em**  
Oh what a day it s been

**Am** **F** **C** **Em**  
Oh what a day it s been

**F** **C** **G** **Am**  
Run, there s a bullet in your back

**F** **C** **G** **Am**  
Run, run, there s a bullet in your back

**F** **C**  
Run, run, run, there s a bullet in your back

**Em** **Am**  
But I wouldn t take it back, I wouldn t take it back

**F** **C**  
Run, run, run, there s a bullet in your back

**Em** **Am**  
But I wouldn t take it back, I wouldn t take it back

**F** **C**  
Run, run, run, there s a bullet in your back

**Em** **Am**  
And I want to take it back, I want to take it back

**F** **C**  
Run, run, run there s a bullet in your back

**Em**  
And I want to take it back

**Am** **F**  
I want to, want to

**C** **G**  
I want to, want you

**Am** **F**  
I want you, want you

**C** **G** **Am**  
I want you, want you, want you, want you back
