Em

I can t stand the mechanical breath,

Em

And i m scared I could slowly love you to death.

D

I can never let go.

Em

On and on we are counting the formulas.

Em

We ve become the modern equation,

D

The numbers of hope.

C

G

D

And I wont feed us lies here,

C

G

D

They re not giving us much time.

Am

G

D

I d give anything to make it better, baby.

Am

G

D

This is something I can t change.

Am

G

D

Oh, this silence could go on forever.

Am

G

D

Am I walking with you in your dreams?

Em

These metaphors for conditions and phobias--

Em

D

We ll pretend that we can explain, but we know we don t know.

C

Am

We can t be led by fear, dear.

Am

G

D

I d give anything to make it better, baby.

Am

G

D

This is something I can t change.

Am

G

D

Oh, this silence could go on forever.

Am

G

D

Am I walking with you in your dreams tonight?

Bridge:

Am, G, D

Am G D
I d give anything to make it better, baby.
Am G D
This is something I can t change.
Am G D
Oh, this silence could go on forever.
Am G D
Am I walking with you in your dreams?

Am G D
(I d give anything to make it better, baby.)
Hello? Hello? Can you hear me?
Am G D
(This is something I can t change.)
Can you show me that you understand?
Am G D
(Oh, this silence could go on forever.)
Hello? Hello? Can you hear me?
Am G D
(Am I walking with you in your dreams?)
Can you show me that you understand?

Bridge:

Am, G, D
Am G D
We thought we had it all figured out,
Am G D
But we don t know the half of it.
Am G D
And somebody will come and save us all.
Am G D
And somebody will come and let us out,
Am G D
Let us out of our cages.
