Like a dice turning six you give me the kicks for free.
Cm **F** **Bb** **Dm** **Eb**
But luck was never lasting, not even when I m asking for a dance.
G **Bb** **Eb** **F**
I know I had my chance, but you ran away.
G **Bb** **C** **Bb** **C** **Bb** **C** **Bb** **C**
I know I had my chance.

I recall when all the wrong was right.
Now I m holding on to nothing, I feel like I could drop right here and now.
Someone show me how, please don t run away.
Someone show me how.

F **Dm** **F** **Dm**
Out of my mind, out of my sight.
G **Bb** **C** **D** **Gm** **Ab** **A**
You were right, still I m lonely tonight.
A **Bb** **A** **Dm** **G**
And your arrows passed me by.
Eb **Ab** **F**
This loveless life I ll try.
Eb **Ab** **F** **Eb** **Dm**
This loveless life I ll try.

You say that there s a time for you and me.
Well now s the time to show me, now s the time to make me see it s true.
I only wanted you, but you ran away
I only wanted you.

Out of my mind, out of my sight.
You were right, still I m lonely tonight.
And your arrows passed me by.
Well, this loveless life I ll try.
This loveless life I ll try.

F **Faug** **Bb**
