C **Am** **Em** **G**
We won t get far,
C **Am** **Em** **G**
Flying in circles inside a jar

Because the air we breathe
C **Am** **Em** **G**
Is thinning with the words that we speak

F **C** **G**
That we speak, you and me-e-e-e

That we speak, you and me-e-e-e

Verse 2: use verse 1 chords

You re on the floor
Fearful of what s outside your door
But the codes and keys
They can protect you
From the pangs of jealousy

Chorus 2: use chorus 1 chords

When you scream, love you see-e-e-e
Like a child, throwing stones at the sky-y-y-y
When they fall back to earth, as minor chords of major works
Separate rooms of single life, we are one, we are alive

Outro: [use verse 1 chords]

We are alive
We are alive
We are alive
We are alive
