Verse 1 Chords: [play with Intro Riff]

C#m	E	Asus2	
			With every sun that sets I am feeling more
	E	B5	Like a stranger on a foreign shore
C#m	E	Asus2	E B5
			With an eroding beach disappearing from under me

Verse 2: (use verse 1 chords and Intro Riff)

And when my mirror speaks it never minces words
That these eyes don t shine half as bright
As they used to do and they haven t for quite a while

Chorus Chords:

- A**
- E**

Cause I m a man who hides from all that binds

A E B5

In a mess of fading lines

A E

And there s a tangled thread inside my head

G#m C#m B5

With nothing on either end

Verse 3: (use verse 1 chords and Intro Riff)

I always fall in love with an open door

Or the horizon on an endless sea

As I look around the ones who are standing right in front of me

Verse 4: (use verse 1 chords and Intro Riff)

And then my mirror speaks with irreverence

Like a soldier I can t command

It sees the frightened child in the body of a full-grown man

Chorus Chords:

And he s a man who hides from all that binds

In a mess of fading lines

And there s a tangled thread inside his head

With nothing on either end

There s nothing on either end

Solo:

B		----2-2-----	[x2]
G		-----	

Bridge:

B5

A new position for a different view

B5

But nothing changes but the slightest hues

B5

When I am standing face to face

Chorus Chords: x2 (first time soft, second time loud)

With a man who hides from all that binds

And a mess of fading lines

And there s a tangled thread inside his head

With nothing on either end

:End on E
