

Sleep Spent
Death Cab For Cutie

Chord Progression: **C G Em G** (Played throughout the entire song)

Intro: Just the chords **C G Em G**

Verse:

C **G** **Em** **G**
I can t expel the truth

C **G** **Em** **G**
It s much more than i thought i could do

C **G** **Em** **G** **C**
And with time my worth will stain

G **Em** **G**
And split your heart from my name...

Chorus:

hide this tab

e-----	
B-----	
G-----	
D-----	x2 ()- hold it a little then slide.
A-1s3---3-5---5s10-9---(10)s3-----	This could be bass but I don t
know	
E-----	

So drive away your mouth from my ears
And waste a day so i can think clearly

interlude/Verse:

e-----	
B-----7-	
G-----7-9---	
D-7-9-----	This bit is a little confusing... it consists of these notes.
A-----	My best guesst is to solo with these notes and see what you get
E-----	

And what s left to wait for here
As my hands sleep spent this last year
Choking the bottle s neck that pulled you from my bed

outro:

e-----	
B-----	
G-----	
D----9-10-12---	until song ends
A-10-----9-	
R-----
