

Soul Meets Body
Death Cab For Cutie

Intro: **Dm**

Dm **F**
I want to live where soul meets body
Dm **F**
And let the sun wrap its arms around me
Dm **F**
And bathe my skin in water cool and cleansing
C
And feel, feel what it s like to be new

Dm **F**
Cause in my head there s a greyhound station
Dm **F**
Where I send my thoughts to far off destinations
Dm **F**
So they may have a chance of finding a place
C
Where they re far more suited than here

Dm **C**
Para para pa pa (etc)

Dm **F**
I cannot guess what we ll discover
Dm **F**
We turn the dirt with our palms cupped like shovels
Dm **F**
But I know our filthy hands can wash one another s
C
And not one speck will remain

Dm **C**
I do believe it s true
Dm **C**
That there are roads left in both of our shoes
Dm
If the silence takes you
C **Dm**
Then I hope it takes me too
C
So brown eyes, I hold you near
Dm **C**
Cause you?re the only song I want to hear
Dm **C** **Dm**
A melody softly soaring through my atmosphere
