Intro: [**G** - **C**]

Verse 1 chords:

<b>G</b>		<b>C</b>
St Peter s cathedral, built of granite, ever fearful of the answer		
<b>G</b>		<b>C</b>
When the candle in the tunnel is flickering and sputters and fading faster		
<b>G</b>		<b>C</b>
It s only then that you will know what lies above or down below		
<b>G</b>		<b>C</b>
Or if these fictions only prove how much you ve really got to lose		

Verse 2: use verse 1 chords

At st Peter s cathedral there is stained glass there s a steeple that is reaching  
Up towards the heavens such ambition never failing to amaze me  
It s either quite a master plan or just chemicals that help us understand  
That when our hearts stop ticking this is the end and there s nothing past this
