

**The Sound Of Settling**  
**Death Cab For Cutie**

*Capo IV*

**D**                    **A**  
I ve got a hunger  
**Em**                    **G**  
Twisting my stomach into knots  
**D**            **A**                    **Em**            **G**  
That my tongue has tied off

**D**                    **A**  
My brains repeating  
**Em**                    **G**  
If you ve got an impulse let it out  
**D**            **A**                    **Em**            **G**  
But they never make it past my mouth

*Chorus:*

**D**            **D/E**  
Bap ba, Bop ba  
**A**                    **G**  
This is the sound of settling  
**D**            **D/E**    **A**            **G**  
Bop ba, bob pa  
(x2)

INTERLUDE

**D**    **A**            **Em**            **G**  
(x2)

verse 2

**D**                    **A**  
Our youth is fleeting,  
**Em**                    **G**  
Old age is just around the bend.  
**D**            **A**                    **Em**            **G**  
And I can t wait to go gray.

**D**                    **A**  
And I ll sit and wonder  
**Em**                    **G**  
Of every love that could ve been.  
**D**            **A**                    **Em**            **G**  
If I d only thought of something charming to say.

Chorus(x4)

**D**                    **A**

I ve got a hunger

**Em**                      **G**

Twisting my stomach into knots
