

Tiny Vessels
Death Cab For Cutie

Em **C/D** **Em**
This is the moment that you know
Am **C/D** **Em**
That you told her that you loved her but you don t.
G **Em**
You touch her skin and then you think
C **Am** **Em**
That she is beautiful but she don t mean a thing to me.
C **Am** **Em**
Yeah, she is beautiful but she don t mean a thing to me.

Em **C/D** **Em**
I spent two weeks in Silverlake
Am **Em**
The California sun cascading down my face
G **Em**
There was a girl with light brown streaks
C **Am** **Em**
And she was beautiful but she didn t mean a thing to me.
C **Am** **Em**
Yeah she was beautiful but she didn t mean a thing to me.

Am **C** **A7** **Am**
I wanted to believe in all the words that i was speaking
C **G** **D**
As we moved together in the dark
Am **Em**
And all the friends that i was telling
Am **C**
And all the playful misspellings
Em **C** **D**
And every bite i gave you left a mark

Am **C** **A7**
Tiny vessels oozed into your neck
Am
And formed the bruises
G **Em** **D**
That you said you didn t want to fade
Am **Am** **C** **Em**

But they did and so did i that day

Em **C/D**
All i see are dark grey clouds
Am **C/D** **Em**
In the distance moving closer with every hour
G **Em**
So when you ask was something wrong?
C
That i think you re damn right there is,
Am **Em**
but we can t talk about it now.
Am **C**
No, we can t talk about it now.

Em **C/D** **Em**
So one last touch and then you ll go
Am **C/D** **Em**
And we ll pretend that it meant something so much more
Am **Em**
But it was vile, and it was cheap
C **Am** **Em**
And you are beautiful but you don t mean a thing to me
C **Am** **Em**
Yeah you are beautiful but you don t mean a thing to me (2x)
