No capo

F, C, G, Am

F **C**
Believe in me, I m sad and blue
G **Am**
Left with nothing but a picture
F **C**
Third or fourth weekend in June
G **Am**
December seems to come too
F **C**
Soooooon

G **Am** **F** **C**
Will you wait until tomorrow?
G **Am**
Will you wait until

F **C**
Head is swirling with the scene
G **Am**
Of you and him embraced in rapture
F **C**
Dirty trying to come clean
G **Am**
But every thought I have is
F **C**
Obscene

G **Am** **F** **C**
Will you wait until tomorrow?
G **Am**
Will you wait until

F **C**
Quilted in our hands
G **Am**
And keeping you tucked in too deep
F **C**
Struck in the shot of two

G **Am**
Twenty-four hours in
F **C**
June

G **Am**
Will you wait until tomorrow?

(end on **C**)
