

When We Drive
Death Cab For Cutie

The other tab on here works well, I just like the sound of this one a little better. Like the first guy said, it doesn't really work with the recording because of the way they wrote it, Either way, it's a really solid song.

[Intro]

C/G Fmaj7 x2

[Verse 1]

C/G Fmaj7

I can't expect you to be honest

C/G

Or to be faithful every day til the end

Fmaj7

I just need you to be always a friend

C/G Fmaj7

As the sun sets over Dakotas

C/G

Underneath a crimson ocean of sky

Fmaj7

Know I'll always want you by my side

[Chorus]

Dm Fmaj7

When we drive

C/G Fmaj7

When we drive

[Verse 2]

C/G Fmaj7

You and I were born in motion

C/G

Never in one place for too long a time

Fmaj7

And now it's the only way we know to survive

C/G Fmaj7

I like the way that your hair tangles

C/G

The way your sun tan's only on one side

Fmaj7

We always keep the windows open wide

[Chorus 2]

Dm Fmaj7

When we drive

C/G

When we drive

[Bridge]

Am Fmaj7 C/G

Climb into the back seat and close your eyes

G

I ve got the wheel

Dm Fmaj7 G

And dream of all the places only we will find

[Verse 3]

C/G Fmaj7

I can t expect you to be honest

C/G

Or to be faithful every day til the end

Fmaj7

I just need you to be always a friend

C/G Fmaj7

Until the engine kicks and sputters

C/G

Until we roll the rubber off the tires

Fmaj7

Know I ll always need you by my side

[Chorus 3]

Dm Fmaj7

When we drive

C/G

When we drive
