

She Said Destroy
Death in June

Em A Em A
Into that darkness, Into that darkness

C Am C Am
Like jackals howling, Like flowers unfolding

Em A Em A
Into that darkness, Into that darkness

C Am C Am
The banners in tatters, The virgin is blessed

Em A Em Am
Into that darkness, Into that darkness

C Am C Am
As if seeking there, Hope s bloody prey

C Am D
The dead dog sinking, turning and turning

Em A Em A
Into that darkness, Into that darkness

C Am C Am
The bodies collapsed, Swollen with gas

Em A Em A
Into that darkness, Into that darkness

C Am C Am
In the hovels and gutters, Her face to the storm

Em A Em A
Into that darkness, Into that darkness

C Am C Am
Still broken, still bleeding, The Crack of the neck

C **Am** **D**
The gut shriek of thunder, The blood call of lightning

She said destroy in black New York... (x3)

C **D** **A**
She said destroy in black...

Em **A** **Em** **A**
Into that darkness, Into that darkness

C **Am** **C** **Am**
Like jackals howling, Like flowers unfolding

Em **A** **Em** **A**
Into that darkness, Into that darkness

C **Am** **C** **Am**
The virgin has blessed, The call of the beast

Em **A** **Em** **A**
Into that darkness, Into that darkness

C **Am** **C** **Am**
As if seeking there, Hope s bloody prey

The dead dog sinking, turning and turning

She said destroy in black New York...
