Tick Tock Death in June

\mathbf{Em}

Tick Tock Tick Tock

G Am Em

3 piggies standing in the dock

Em

Their pockets all empty and bare

G Am Em

Their futures, their homes, nowhere.

Auf wiedersehen...

Do vdjenja...

With egos they decide to lead With stupidity they ooze and bleed What comfort they could have had Is now gone and up for grabs

Tick Tock Tick Tock Tick Tock
3 piggies standing in the dock
Their snouts all bloody and red
They should have said goodbye instead.

Ciao! Auf Wiedersehn! Arrivederci piggie!
