Youth should not be forgiven, it should be accused

At my midnight wedding salvation lives on

My rose is fading, it s near the dark

The fourth rose is in your hand

Who strikes out to be excellent in (war?)

Unravel the surface, see below

My rose is fading, it s near the dark

The fourth rose is in your hand

Red roses tell you of life as white as your corpse

No wolf will bloom there

My rose is fading, you re in the dark

The fourth rose is in your hand

A **Em** (lift all)

The darkest secret in my heart is you

A **Em** (lift all)

Let not the shadows gather and reveal

A **C**

I can t buy peace of mind, it s something I ll never find

A **Em** (lift all)

The darkest secret in my heart is you

Youth should not be forgiven, it should be accused

At my midnight wedding no traitor lives on

My rose is fading, it s near the dark

The fourth rose is in your hand

The darkest secret in my heart is you
Let not the shadows gather and reveal
I can't buy peace of mind, it's something I'll never find
The darkest secret in my heart is you.
