```
Let the corporations
             Dbm
Make the regulations
And hold no one accountable
When everything goes wrong
Let the rich and famous
Get away with murder
Every time a high-priced
Mouth-piece starts to talk
                   Bbm
His client gets to walk
                      Ebm
Tell me, where is the justice?
               Ebm
If there's any justice
[Students]
Where s the justice?
Tell me where!
[Light]
Db
Where is the justice
For all the victims?
[Students]
Tell me where!
[Light]
Db
Where is the justice?
What good is law that can't
Bbm
Punish those who break it?
[Student #2]
Gbm
Politicians
Make their speeches all day long
While judges pushing pencils
             Е
```

Mostly get it wrong
(Mostly get it wrong!)
[Student #3]
Gbm
Instead of loopholes
For the laws to fall between
Let some good old-fashioned pay-back
          Gbm
Grease the wheels of a machine

[Light]
              Gbm
Listen to the families
Hiding in their houses
All of them afraid to walk the streets at night
With all their doors locked tight
                        Gbm
                                 D
                                          Gbm
We must give them their justice
