**Death on Wednesday**

Song: Secret Song (Weigh Me Down)  
Artist: Death on Wednesday  
Album: Songs to \_\_\_\_ to EP  
Tabbed by: Roland  
Email: rs\_\_416@hotmail.com(two underscores)

Please help me with this tab I will be very grateful to any one that could give me any feed back, additions or corrections to this tab (I love this song and want the tabs for both guitars, but I can t do it). It is only the chords that the first guitar plays. Just listen for the strumming. I don t know why no one tabs Death on Wednesday they re so good

Tuning: standard

Intro:

E---0-2-3---(This is done on the fat string before every G is played)

G Em  
G Em  
G Em C D

Verse:

G Em  
Light up my cigarette as the sun goes down  
G Em  
And I watch the day die  
G Em  
All thoughts disappear with the rolling time  
C D  
And the moon takes a place in the sky

G Em  
Now burn this cloudy haze  
G Em  
And hit me with your lie  
G Em  
So glad you re in my ears like the rolling time  
C D  
As the world stops to here the sound

Chours:

**G** **Em**

So weigh me down

**G** **Em**

and weight me down

**C** **D**

cos it s long hard you can put in now

thats it for now thanks
