I will be the gladdest thing

I will touch a hundred flowers

I will look at cliffs and clouds
C **Em**
With quiet eyes,
Am **Em**
Watch the wind bow down the grass,

And the grass rise.

Could be a sidewalk crack
Dsus
Or a sad song.

Inside our searchings is desire

Am **Bm** **Em**
To etch a silent thought in stone
Am **Bm** **Em** **C** **Dsus**
To make a tender heart known.

Every one of us an orphan

We can comfort each other in this place
