No More Rhyme Debbie Gibson Verse 1: Α When the fear sets in F#m Where the fire burns D Where I find a place E But there s nowhere to turn Α When the evening sings F#m An eerie song D Longing for the day Е You say I m wrong Verse 2: Α You can find your place F#m But never fit in D And only when you ve left Е Do you know where you ve been Α I can see the light F#m But only when it s gone D You can go on waiting Е But only for so long ( so long so long) Chorus: Α I know we are right F#m7 It s not always clear D Е Because I ve never felt the fear Α Can it stay so good F#m7 Forever in time?

D I ve always felt the rhythm Е What happens when there s Α NO MORE RHYME Verse 3: Α Can we face ourselves F#m Like we face eachother? D We ve never felt anything Е On our own Α I can t wait much longer F#m To feel any danger D I hope we re not living for  $\mathbf{E}$ A lifetime alone (Repeat Chorus) Bridge: Am7 Hard to go on Am7 It s like waiting for Dm The other shoe to drop I ll never stop Em Believing in you Am7 Am7 It s just like we never had to struggle It all came too easy Dm I hope we felt what we felt from the start We ve never suffered a broken heart Em We ve been so blinded by all the best Am7 Am7 Dm We never put our love to the test ( Repeat Chorus ) A7 D I ve always felt the rhythm Е
