[Verse]

F **G#**

If you ve ever been

A# **F**

Afraid of anything

This song s for you

G# **A#** **F**

I know your feeling me!

G#

If you ever want to

A# **F**

Do just something big,

But then you stopped,

G# **A#** **F**

Just couldn t handle it

If you take a chance

G# **A#**

Then it will be alright

F **G#**

Come on (x7)

A#

You know it s time

F

Just pu-pu push it down

G# **A#** **F**

And then you ll win the fight,

You re better that this

G#

Your better than that

A#

Come on lets make it right!

[Pre chorus]

A# **C** **G#**

Nothing getting in my way (oh oh ooh)

A#

Nothing ever will again (oh oh ooh)

And if you re with me

C G#

Come on and say now

A#

We re gonna make it hey

[Chorus]

F

We re gonna take what we can

G#

Not gonna settle

A# F

for nothin , no!

G#

Just find the courage

A# F

Get up and go

G# A# F

Oh no, we re not gonna take it slow

G#

If you hear what I m saying

There s no time to wait

A# F

A wish comes true everyday

[Verse]

G#

Today s the day

A# F

You know it is

G#

Make happen

A# F

I know you can

G#

You know you want

A# F

to do just something big

Just take the plunge

G# A# F

Yeah you can handle it

G#

It can happen to me

A#

It can happen to you

F G#

Go on (x6)

A# F

Go on make you re wish come true

G#

It s the chance you got

A#

F

To do what you want to

You re better than this

G#

You re better than that
