

Im a Country Girl

Debby Ryan

**D** **D**  
I was born on the farm where my mom milked the cattle

**Em** **Em**  
A jug full of corn was my first baby rattle

**D** **Em** **A**  
I could ride a tractor before I could ride a bike

**D** **D**  
My very first date took me to the theater

**Em** **Em**  
That boys biggest dream was to grow the best tator

**D** **Em** **A**  
But I wanted to be much more then a Farm Hands wife

**Em** **Em**  
So I packed up my bags and I headed for the water

**D** **D**  
They all waved good bye to the little farmers daughter

**Em** **Em** **A**  
I was settin sail for the best time of my life

**D** **D**  
Now I m pickin apples at the Sistine Chaple

**G** **G**  
Bailin hay on the shores of Yasay

**Em** **G** **A**  
I m a country girl in every country of the world

**D** **D**  
Now I m shuckin corn where Shakespeare was born

**G** **G**  
And I m eatin grifts at the Great Pyramid  
Yeah

**Em** **G** **A**  
I m a country girl in every country of the world

**Em** **G** **D**  
I m just a country girl in every country of the world
