I was noodling on my guit , and this just kinda came out.
The last line of the chorus doesn t seem right to me.
I ve left it blank, but I feel like it might be C#.
I m leaving it in parantheses to let you know that it may not be correct.

Deborah Cox - Beautiful U R

Intro: **G#m E B F#** (2 times)

```
          G#m E
It s your life
B            F#           G#m E       B  F#
Things may not always go right, for you
        G#m     E
In those times

Just leave it behind
E                                        F#
Cause sometimes you gotta play the game
         G#m   E
Just to survive
        B        F#
Without losing yourself
      G#m    E        B
It`s a fight, it`s true

It takes time
       B            F#
Don`t have all the answers

No matter how hard it gets

Hold on to what`s inside
