Under My Skin Moon Song December Avenue

when playing a chord alway pluck the bass note followed by the higher strings. alternately plays the G chord, that s why you see 2 tab diagram on the G chords. Just listen to the song and you ll get it ;) Plss support the band and plss rate and comment :)i do appreciate it :) Under My Skin (Moon Song) by December Avenue tabbed by Christian Tumamak Capo 3 all chords are relative to the capo Chords used: G - 3x0230 (3x0032)D - xx0230G/B - x20030A - x02230C - x30030Intro: DG Dim light soflty turns the light So lovely like a movie You never will be lonely Moon light shines like candle light It s only for you and me The sweetness of the melody G/B Embrace the sound of my voice The kindness of my shoulder G/B - C Haven t you feel a little cold

A

When i begin to wisper

Your movement start to linger in my arms

G/B - C D - G(2x)

To never let you go

D G

All your wishes will come true

G/B A G

The music in your soul will finally sing

D G

All your dreams be filled with hymes

G/B A G

The moment you were under my skin

G/B A G

The moment you were under my skin

G/B A G

The moment you were under my skin

G/B A G

The moment you were under my skin

G/B(Strum) A(Strum) D - G

The moment you were under my skin
